

What is

# Healthcare System Sustainability?

## GOVERNANCE AND POLICY CONSIDERATIONS

- Reviewing roles and responsibilities within the HSS system, including corporate functions and the Territorial Board of Management (NTHSSA).
- Investigating HRHSSA becoming a part of the GNWT (HCSSU/HRHSSA)
- Reviewing the HSS governance structure in the NWT (NTHSSA)
- Implementing an HSS working group under the Council of Leaders of the Northwest Territories (DHSS)

## FISCAL SUSTAINABILITY

- Restoring Balance (DHSS, HSSAs)
- Negotiating the Federal Funding Agreement (DHSS)
- Developing a Deficit Reduction Plan for NTHSSA (NTHSSA/DHSS)

## OPERATIONAL EFFICIENCIES

- Primary Healthcare Reform (DHSS)
- Community Health Centre Model (DHSS)
- Defining core Health and Social Services (HCSSU)
- Workforce Review (NTHSSA/FIN)
- Policy and Legislation Modernization (DHSS)
