

Informal Recognition Nomination Form Department of Lands

Date: 2016-01-12

Name of nominator: Scott Jordison

Name of nominee: Shawn Savoie

Why are you nominating this person? Shawn has spent an incredible amount of time working on the GNWT branding project. He has done a great job expanding the visual identity. It was great to see him in the center of his element. Timelines were tight but he did what he needed to do to make sure things were done to a high standard. I took the time to rejig your word file to meet the new visual identity.
